COUNT XX, (violation of equal protection of the laws)

560. Plaintiff hereby repeats, realleges, and incorporates by reference the allegations in paragraphs 1 through 559 above, with the same force and effect as if herein set forth, with emphasis on paragraphs 83-111 and 462-471 above, and further states, that:
561. William Hardy, chairman, Humphrey Sutton, Sally Byrne, Helen Kreiger and one other member of HCC, refused to issue receipt for NOI filed with the HCC, failed to make a decision during the public hearing, failed to make a decision within the allowed 21 day period, closed the hearing after 42 days without taking a vote and instead waited until they knew plaintiff had left the country and mailed their unlawful decision December 16, 1993 to plaintiff's P.O. Box address in Brimfield after 119 days, instead of the allowed 21 day period, and only issuing a partial decision, withholding final action on part concerning foundation repair of dwelling, violating 310 CMR 10.05(5)(b); 310 CMR 10.05(6)(a); 310 CMR 10.05(3)(e); 310 CMR 10.05(3)(f); M.G.L., c.39,s.23B; M.G.L., c.131,s.40; M.G.L., c.265,s.37.

COUNT XXI, (violation of substantive due process)

563. Plaintiff hereby repeats, realleges, and incorporates by reference the allegations in paragraphs 1 through 562 above, with the same force and effect as if herein set forth, with emphasis on paragraphs 83-111 and 481-490 above, and further

issue receipt for NOI filed with the HCC, failed to make a decision during the public hearing, failed to make a decision within the allowed 21 day period, closed the hearing after 42 days without taking a vote and instead waited until they knew plaintiff had left the country and mailed their unlawful decision December 16, 1993 to plaintiff's P.O. 568. By their actions, defendant(s) violated the above specified sections of 310 CMR 10.00 and statutes of M.G.L., and engaged in a conspiracy and conspired and discriminated against plaintiff because of plaintiff's national origin.

COUNT XXIII, (violation of equal protection of the laws)

569. Plaintiff hereby repeats, realleges, and incorporates by reference the allegations in paragraphs 1 through 568 above, with the same force and effect as if herein set forth, with emphasis on paragraphs 114-135 and 462-471 above, and further states, that:

Submitted plans, which are the 6th set of plans for a subsurface sewage disposal system, are not acted upon in the 45 day period allowed. Plaintiff's plans are constructively approved after 45 days, due to inaction by the BOH. BOH approved plans finally, after 130 days but failed to issue the necessary "disposals work construction permit", making the issuance of this permit dependent on prior approval of subsurface sewage disposal system plans by the HCC, and filing of a NOI by the plaintiff with the HCC. BOH by its actions and inactions is violating 310 CMR 15.00; M.G.L., c.111,s.31E; M.G.L., c.265,s.37.
571. Defendant(s) had final policing power. With their actions and/or inactions, defendant(s) deprived plaintiff of his constitutionally protected property interest, guaranteed under statutes of M.G.L. Defendant(s) therefore violated plaintiff's right to equal protection under the laws, guaranteed under Article I of the Declaration of Rights of the Constitution of the Commonwealth of Massachusetts and U.S.C.A. Const. Amend. 5, 14; actionable under 42 U.S.C. s.1983.

COUNT XXIV, (violation of equal protection of the laws)

573. William Hardy, chairman HCC, requires plaintiff, in a letter, to explain to HCC why plaintiff installed a "tight tank", informing plaintiff of an allegedly required variance. William Hardy's, and probably other members of HCC's, request in regard to provisions under 310 CMR 15.00 is outside the Board's jurisdiction and doesn't apply to plaintiff's situation to begin with. HCC refused to issue receipt for NOI filed by plaintiff during the public hearing of July 29, 1994. During this meeting which is still an ongoing public hearing, HCC is offering to issue partial order of condition (foundation and roof work) if plaintiff would withdraw his "request for an adjudicatory hearing" on the superseding order of conditions, DEP file number 184-83, plaintiff filed on May 5, 1994. HCC failed to issue order of conditions within 21 day period, as required under M.G.L., and failed to issue order of conditions as required, only issuing a partial order of conditions on October 17, 1994 (foundation and roof work) after plaintiff agreed not to pursue the adjudicatory hearing. HCC kept the public hearing open until May 2, 1995, and did so without plaintiff's consent. Actions by the HCC are in violation of 310 CMR 10.05(6)(a); 310 CMR 10.05(5)(b); 310 CMR 10.05(3)(f); 310 CMR 10.05(3)(e); M.G.L., c.131,s.40; and M.G.L., c.265,s.37.
574. Defendant(s) had final policing power. With their actions and/or inactions, defendant(s) deprived plaintiff of his constitutionally protected property interest, guaranteed under statutes of M.G.L. Defendant(s) therefore violated plaintiff's right to equal protection under the laws, guaranteed under Article I of the Declaration of Rights of the Constitution of the Commonwealth of Massachusetts and U.S.C.A. Const. Amend. 5, 14; actionable under 42 U.S.C. s.1983.

COUNT XXV, (violation of substantive due process)

575. Plaintiff hereby repeats, realleges, and incorporates by reference the allegations in paragraphs 1 through 574 above, with the same force and effect as if herein set forth, with emphasis on paragraphs 114-135 and 481-490 above, and further states, that:
576. Members of the BOH, in furtherance of the consistent attempt to thwart plaintiff's project, requested that plaintiff replace the leach pit by a leach field. Submitted plans, which are the 6th set of plans for a subsurface sewage disposal system, are not acted upon in the 45 day period allowed. Plaintiff's plans are constructively approved after 45 days, due to inactions by the BOH. BOH approves plans finally after

130 days, but fails to issue the necessary "disposals work construction permit", making the issuance of this permit dependent on prior approval of subsurface sewage disposal system plans by the HCC, and filing of a NOI by the plaintiff with the HCC. BOH by its actions and inactions is violating 310 CMR 15.00; M.G.L., c.111,s.31E; M.G.L., c.265,s.37.

577. Defendant(s) had final policing power. With their actions and/or inactions, defendant(s) deprived plaintiff of his constitutionally protected property interest, guaranteed under statutes of M.G.L., without due process. COUNT XXVI, (violation of substantive due process)

578. Plaintiff hereby repeats, realleges, and incorporates by reference the allegations in paragraphs 1 through 577 above, with the same force and effect as if herein set forth, with emphasis on paragraphs 118-184 and 481-490 above, and further states, that:
579. William Hardy, chairman HCC, requires plaintiff, in a letter, to explain to HCC why plaintiff installed a "tight tank", informing plaintiff of an allegedly required variance. William Hardy's, and probably other members of HCC's, request in regard to provisions under 310 CMR 15.00 is outside the Board's jurisdiction and doesn't apply to plaintiff's situation to begin with. HCC refused to issue receipt for NOI filed by plaintiff during the public hearing of July 29, 1994. During this hearing, HCC is offering to issue partial order of condition (foundation and roof work) if plaintiff would withdraw his "request for an adjudicatory hearing" on the superseding order of conditions, DEP file number 184-83, plaintiff filed on May 5, 1994. HCC failed to issue order of conditions within 21 day period, as required under M.G.L., and failed to issue order of conditions as required, only issuing a partial order of conditions on October 17, 1994 (foundation and roof work) after plaintiff agreed not to pursue the adjudicatory hearing. HCC kept the public hearing open until May 2, 1995, and did so without plaintiff's consent. Actions by the HCC are in violation of 310 CMR 10.05(6)(a); 310 CMR 10.05(5)(b); 310 CMR 10.05(3)(f); 310 CMR 10.05(3)(e); M.G.L., c.131,s.40; and M.G.L., c.265,s.37.
580. Defendant(s) had final policing power. With their actions and/or inactions, defendant(s) deprived plaintiff of his constitutionally protected property interest, guaranteed under statutes of M.G.L., without due process. Defendant(s) therefore violated plaintiff's right to substantive due process, guaranteed under U.S.C.A. Const. Amend. 5, 14; actionable under 42 U.S.C. s.1983.

COUNT XXVII, (violation of equal protection of the laws)

581. Plaintiff hereby repeats, realleges, and incorporates by reference the allegations in paragraphs 1 through 580 above, with the same force and effect as if herein set forth, with emphasis on paragraphs 147-162 and 462-471 above, and further states, that:
582. BOH, John Stevens, chairman, unlawfully reverses their decision of June 27, 1994, approving plaintiff's 6th plan for a subsurface sewage disposal system, alleging the requirement of another variance, in violation of 310 CMR 15.00; M.G.L., c.39,s.23B; and M.G.L., c.265,s.37.
583. Defendant(s) had final policing power. With their actions and/or inactions, defendant(s) deprived plaintiff of his constitutionally protected property interest, guaranteed under statutes of M.G.L. Defendant(s) therefore violated plaintiff's right to equal protection under the laws, guaranteed under Article I of the Declaration of Rights of the Constitution of the Commonwealth of Massachusetts and U.S.C.A. Const. Amend. 5, 14; actionable under 42 U.S.C. s.1983.

COUNT XXVIII, (violation of substantive due process)

584. Plaintiff hereby repeats, realleges, and incorporates by reference the allegations in paragraphs 1 through 584 above, with the same force and effect as if herein set forth, with emphasis on paragraphs 147-162 and 481-490 above, and further states, that:
585. BOH, John Stevens, chairman, unlawfully reverses their decision of June 27, 1994, approving plaintiff's 6th plan for a subsurface sewage disposal system, alleging the requirement of another variance, in violation of 310 CMR 15.00; M.G.L., c.39,s.23B; and M.G.L., c.265,s.37.
586. Defendant(s) had final policing power, and, with their actions or inactions, deprived plaintiff of his constitutionally protected property interest, and therefore violated plaintiff's right to substantive due process, guaranteed under U.S.C.A. Const. Amend. 5, 14; actionable under 42 U.S.C., s.1983.

COUNT XXIX, (violation of equal protection of the laws)

587. Plaintiff hereby repeats, realleges, and incorporates by reference the allegations in paragraphs 1 through 587 above, with the same force and effect as if herein set forth, with

emphasis on paragraphs 163-192 and 462-471 above, and further states, that:

588. BOH requests that plaintiff obtain new design for his subsurface sewage disposal system, removing the impermeable barrier the BOH earlier requested. Plaintiff's engineer is forced to draw 7th set of plans, which are filed with the BOH on November 15, 1994. BOH fails to act on the submitted plans within the 45 day period. The plans become constructively approved. BOH delays unlawfully the approval of the plans and the issuing of the "disposals work construction permit" until April 4, 1995. BOH failed to issue Certificate of Compliance" after the system had been installed and inspected by members of the BOH. To this day (filing date of this complaint), Sally Blais, chairman of the BOH, refuses to issue such document. BOH, with its actions, violated 310 CMR 15.00; M.G.L., c.39,s.23B; M.G.L., c.111,s.31E; M.G.L., c.265,s.37.
589. Defendant(s) had final policing power. With their actions and/or inactions, defendant(s) deprived plaintiff of his constitutionally protected property interest, guaranteed under statutes of M.G.L. Defendant(s) therefore violated plaintiff's right to equal protection under the laws, guaranteed under Article I of the Declaration of Rights of the Constitution of the Commonwealth of Massachusetts and U.S.C.A. Const. Amend. 5, 14; actionable under 42 U.S.C. s.1983.

COUNT XXX, (violation of substantive due process)

590. Plaintiff hereby repeats, realleges, and incorporates by reference the allegations in paragraphs 1 through 589 above, with the same force and effect as if herein set forth, with emphasis on paragraphs 163-192 and 481-490 above, and further states, that:
591. BOH requests that plaintiff obtain new design for his subsurface sewage disposal system, removing the impermeable barrier the BOH earlier requested. Plaintiff's engineer is forced to draw 7th set of plans, which are filed with the BOH on November 15, 1994. BOH fails to act on the submitted plans within the 45 day period. The plans become constructively approved. BOH delays unlawfully the approval of the plans and the issuing of the "disposals work construction permit" until April 4, 1995. BOH failed to issue Certificate of Compliance" after the system had been installed and inspected by members of the BOH. To this day (filing date of this complaint), Sally Blais, chairman of the BOH, refuses to issue such document. BOH, with its actions, violated 310 CMR 15.00; M.G.L., c.39,s.23B; M.G.L., c.111,s.31E; M.G.L., c.265,s.37.
592. Defendant(s) had final policing power. With their actions and/or inactions, defendant(s) deprived plaintiff of his constitutionally protected property interest, guaranteed under statutes of M.G.L., without due process. Defendant(s)

therefore violated plaintiff's right to substantive due process, guaranteed under U.S.C.A. Const. Amend. 5, 14; actionable under 42 U.S.C. s.1983.

COUNT XXXI, (conspiracy to deny equal protection)

593. Plaintiff hereby repeats, realleges, and incorporates by reference the allegations in paragraphs 1 through 592 above, with the same force and effect as if herein set forth, with emphasis on paragraphs 112-341 and 527-535 above, and further states, that:
594. Members of the BOH, members of the HCC, and probably other town officials intentionally and purposefully engaged in a conspiracy with the following illegal activities: Members of the BOH, in furtherance of the consistent attempt to thwart plaintiff's project, requested that plaintiff replace the leach pit by a leach field. Submitted plans, which are the 6th (sixth) set of plans for a subsurface sewage disposal system, are not acted upon in the 45 day period allowed. Plaintiff's plans are constructively approved after 45 days, due to inaction by the BOH. BOH approved plans finally after 130 days but failed to issue the necessary "disposals work construction permit", making the issuance of this permit dependent on prior approval of subsurface sewage disposal system plans by the HCC and filing of a NOI by the plaintiff with the HCC. John Stevens, chairman, unlawfully reverses their decision of June 27, 1994, approving plaintiff's 6th (sixth) plan for a subsurface sewage disposal system, alleging the requirement of another variance. BOH then requested that plaintiff obtain new design for his subsurface sewage disposal system, removing the impermeable barrier the BOH earlier requested. Plaintiff's engineer is forced to draw 7th (seventh) set of plans, which are filed with the BOH on November 15, 1994. BOH fails again to act on the submitted plans within the 45 day period. The plans become again constructively approved. BOH delays unlawfully the approval of the plans and the issuing of the "disposals work construction permit" until April 4, 1995. BOH failed to issue Certificate of Compliance" after the system had been installed and inspected by members of the BOH. To this day (filing date of this complaint), Sally Blais, chairman of the BOH refuses to issue such document for no legitimate reason.
595. William Hardy, chairman, and other members of the HCC, in furtherance of the consistent attempt to thwart plaintiff's project, requested that plaintiff explain to HCC why he installed a "tight tank", informing plaintiff of an allegedly required variance. William Hardy's, and probably other members of HCC's, request in regard to provisions under 310 CMR 15.00 is outside the Board's jurisdiction and doesn't apply to plaintiff's situation to begin with. HCC refused to issue receipt for NOI filed by plaintiff during the public hearing of July 29, 1994. During this hearing, HCC is offering to

issue partial order of condition (foundation and roof work) if plaintiff would withdraw his "request for an adjudicatory hearing" on the superseding order of conditions, DEP file number 184-83, which plaintiff filed on May 5, 1994. HCC failed to issue order of conditions within 21 day period, as required under M.G.L., and failed to issue order of conditions as required, only issuing a partial order of conditions on October 17, 1994 (foundation and roof work) after plaintiff agreed not to pursue the adjudicatory hearing. HCC kept the public hearing open until May 2, 1995, and did so without plaintiff's consent.

596. By their actions and inactions, BOH, defendant(s) violated 310 CMR 15.00; M.G.L., c.39,s.23B; M.G.L., c.111,s.31E; M.G.L., c.265,s.37, and HCC, defendant(s) violated 310 CMR 10.05(6)(a); 310 CMR 10.05(5)(b); 310 CMR 10.05(3)(f); 310 CMR 10.05(3)(e); M.G.L., c.39,s.23B; M.G.L., c.131,s.40; M.G.L., c.265,s.37; and engaged in a conspiracy and conspired and discriminated against plaintiff because of plaintiff's national origin.

COUNT XXXII, (retaliation for exercising first amendment rights)

597. Plaintiff hereby repeats, realleges, and incorporates by reference the allegations in paragraphs 1 through 596 above, with the same force and effect as if herein set forth, with emphasis on paragraphs 156 above, and further states, that:
598. Retaliation for plaintiff's exercise of his first Amendment rights was the substantial or motivating factor underlying the individual defendant(s)' refusal to issue orders of condition on plaintiff's NOI. Defendant(s) further coerced plaintiff with the promise to issue the order of conditions, if plaintiff would refrain from pursuing the adjudicatory appeal he filed earlier. Plaintiff had a constitutionally protected property interest in the issuance of the orders of conditions by the HCC, defendant(s).
599. Defendant(s) had final policing power. With their actions and/or inactions, deprived plaintiff of his constitutionally protected property interest, guaranteed under statutes of M.G.L. Defendant(s) therefore violated plaintiff's right to petition the government for a redress of grievances, guaranteed under U.S.C.A. Const. Amend. 1; actionable under 42 U.S.C., s.1983.
600. Defendant(s) had a direct or indirect involvement and/or were aware of one or more of the following earlier petitions to the government by the plaintiff: Adjudicatory appeal, filed on May 5, 1994, to the General Counsel of the DEP on HCC decision on plaintiff's NOI, file number 184-83; plaintiff's letter of January 16, 1996, to the State Board of Examiners of Electricians of the Commonwealth of Mass., asking their opinion on the utility trench in the lake bed, challenging the

electrical inspector's (Richard Blease) misconstrued interpretation of the Electrical Code, denying plaintiff his right to underground service to his dwelling; adjudicatory appeal, filed on February 5, 1997, to the General Counsel of the DEP on HCC conduct in regard to plaintiff's NOI, file number 184-118; lawsuit against the ZBA and the town of Holland in Superior Court, filed on January 16, 1996, docket number HDCV1996-71; and the lawsuit against the PBH and the town of Holland in Superior Court, filed on November 20, 2002, docket number HDCV2002-1196. Petitioning the government is a constitutionally protected activity.

601. Plaintiff's rights to petition the government for a redress of grievances and to be free from retaliation, was established with sufficient clarity at the time of defendant(s)' misconduct, and a reasonable town official should have conformed his or her conduct accordingly. Defendant(s) therefore had knowledge of the wrongs to be done, and would have had the power to prevent the commission of the wrongs, but failed to do so.
602. Remedies under statutes of M.G.L. for violation of rights granted under U.S.C.A. Const. Amend. 1. are not available or impractical.
603. Defendant(s) were motivated by bias, bad faith, or improper motive. By their actions, defendant(s) abused their power, and interfered or attempted to interfere with M.G.L., c.265,s.3'. Defendant(s) do not enjoy qualified governmental immunity, as such immunity is only available for discretionary acts.
604. Defendant(s) arbitrary, irrational conduct is not rationally related to legitimate concerns of actors, government or public interest, and injured plaintiff directly or indirectly in his person and personal property.
605. This denial of plaintiff's rights by the defendant(s), granted under the first Amendment, consistently relates to the development, enjoyment, and/or sale of part of his property.
606. Defendant(s) violations create on their face a mandatory entitlement for redress.
607. Defendant(s) acted at all times under color of state law in their treatment of plaintiff's various applications.
608. As a result of the defendant(s)' violation of plaintiff's first Amendment rights, plaintiff suffered one or more of the following: Substantial damages, including but not limited to, delayed and/or blocked development of his property, denial of enjoyment of his property, failed execution of sale of part of his property, lost profits, inability to finance the completion of his two-story garage, and extreme mental and emotional distress.

COUNT XXXIII, (violation of equal protection of the laws)

609. Plaintiff hereby repeats, realleges, and incorporates by reference the allegations in paragraphs 1 through 608 above, with the same force and effect as if herein set forth, with emphasis on paragraphs 193-202, 209, 212, 213, 235, 247-248, 253-258, 274-275, and 462-471 above, and further states, that:
610. Richard Blease refused to issue plaintiff an electrical permit and refused to approve plaintiff's underground service which was in compliance with the local and national Electrical Code. Richard Blease, according to Humphrey Sutton, claimed he never got plaintiff's application for an electrical permit, was a lie. Forced by Richard Blease, plaintiff removed conduit for power lines, which he later had to install again. With his actions, Richard Blease violated sections of 780 CMR and M.G.L., c.265,s.37.
611. Defendant(s) had final policing power. With their actions and/or inactions, defendant(s) deprived plaintiff of his constitutionally protected property interest, guaranteed under statutes of M.G.L. Defendant(s) therefore violated plaintiff's right to equal protection under the laws, guaranteed under Article I of the Declaration of Rights of the Constitution of the Commonwealth of Massachusetts and U.S.C.A. Const. Amend. 5, 14; actionable under 42 U.S.C. s.1983.

COUNT XXXIV, (violation of substantive due process)

612. Plaintiff hereby repeats, realleges, and incorporates by reference the allegations in paragraphs 1 through 611 above, with the same force and effect as if herein set forth, with emphasis on paragraphs 193-202, 209, 212, 213, 235, 247-248, 253-258, 274-275, and 481-490 above, and further states, that:
613. Richard Blease refused to issue plaintiff an electrical permit and refused to approve plaintiff's underground service which was in compliance with the local and national Electrical Code. Richard Blease, according to Humphrey Sutton, claimed he never got plaintiff's application for a electrical permit, was a lie. Forced by Richard Blease, plaintiff removed conduit for power lines, which he later had to install again. With his actions, Richard Blease violated sections of 780 CMR and M.G.L., c.265,s.37. in violation of 310 CMR 15.00; M.G.L., c.111,s.31E; M.G.L., c.265,s.37.
614. Defendant(s) had final policing power. With their actions and/or inactions, defendant(s) deprived plaintiff of his constitutionally protected property interest, guaranteed under statutes of M.G.L., without due process. Defendant(s) therefore violated plaintiff's right to substantive due process, guaranteed under U.S.C.A. Const. Amend. 5, 14;

actionable under 42 U.S.C. s.1983.
